I-595 ramps to temporarily close for construction in 2011 and 2012

The first closure, on westbound I-595 between Pine Island Road and Nob Hill Road, will occur this summer

By Michael Turnbull, Sun Sentinel

January 23, 2011

The first temporary long-term lane and ramp closures as part of the Interstate 595 reconstruction will begin this summer.

They include:

Westbound S.R. 84 lane reduction between Davie Road and University Drive: spring 2011 to fall 2011, approx 150 days

Northbound University Drive to Westbound I-595: summer 2011, approximately two weeks

Westbound S.R. 84 to I-595 and Westbound I-595 to S.R. 84, between Pine Island Road and Nob Hill Road: summer 2011 to fall 2011, approximately 90 days

Eastbound S.R. 84 to I-595, between Nob Hill Road and Pine Island Road: fall 2011 to spring 2012, more than 200 days
